

Model: PFSE7

Pro Series Fibreglass Step Extension Ladder

The ability of being able to adjust the position of the rear section of this versatile ladder enables it to be used where no other ladder is suitable.

- Designed to last: 3-piece rung joint system to attach industrial grade aluminium components to the heavy duty fibreglass rails ensuring the ladder can withstand repeated use without the joints loosening
- All aluminium components anodised for corrosion resistance & lower retention of dirt & grime
- Fully automatic latching system when extending
- Heavy duty fixed rubber feet
- Pole 'V' rung with rubber pad
- 150KG rated, exceeding AS/NZS standards
- 5 year warranty
